

To all English native speakers and people with an English background interested in working with children

Our Kinderhaus "Am Hochwald" e.V in Dresden Weißer Hirsch offers children aged 3-6 the opportunity to pick up the English language in a playful way.

The concept is based on acquiring the English language during the morning routine through free playtime, crafts as well as guided morning circles offering songs, nursery rhymes, games etc.

If you are interested in a position as an English language teacher please send a short CV to
